Assignment: Creating a Flyer in Microsoft Word and Presenting the Process in PowerPoint

Due Date: 23rd April, Monday.

Overview: In this assignment, you will be creating a flyer in Microsoft Word and presenting the process in PowerPoint. The goal is to test your basic knowledge of Microsoft Word and PowerPoint. You will be given a flyer, and you will need to recreate it in Microsoft Word. You will then present the process you used to create the flyer in a PowerPoint presentation.

Instructions:

1. Access the Google Drive file at https://lnnk.in/a5jr and choose one of the flyers provided to recreate in Microsoft Word. Make sure to download the flyer and save it to your computer before proceeding to the next step.
2. Use Microsoft Word to recreate the flyer you have chosen. Make sure to include all the necessary information and images. Use the tools and features in Microsoft Word to create a professional-looking flyer.
3. Save the Microsoft Word file as a PDF.
4. Create a PowerPoint presentation that showcases the process you used to create the flyer. Your PowerPoint presentation should have 10 slides, including a title slide and a conclusion slide.
5. In your PowerPoint presentation, make sure to include the following information:
    - The flyer you chose to recreate
    - The tools and features in Microsoft Word that you used to create the flyer
    - A step-by-step walkthrough of the process you used to create the flyer
    - Any challenges you encountered and how you overcame them
    - Tips and tricks you learned during the process
6. Be sure to use appropriate formatting and design in your PowerPoint presentation. Use images and screenshots to help illustrate your points.
7. Save your PowerPoint presentation as a PDF.
8. Submit both the Microsoft Word file and the PowerPoint presentation PDF to your instructor.

Grading: Your assignment will be graded on the following criteria:

- Accurately recreated flyer using Microsoft Word
- Effective use of Microsoft Word tools and features
- Clear and concise presentation of the process used to create the flyer
- Use of appropriate formatting and design in the PowerPoint presentation
- Inclusion of all required information in the PowerPoint presentation
- Overall professionalism and attention to detail.
